

EL MUNDO

 RANKING UNIVERSIDADES 2018

PHYSICS DEGREE AT UAM #1

The [Autonomous University of Madrid](#) appears as the first one in the ranking of universities conducted by the newspaper [El Mundo](#) to pursue the career of Physics. The 18th edition of 50 CARRERAS gathers the 50 most popular grades among the students and the five best universities where to take them. The classification is the result of a detailed analysis of 25 criteria, the opinion of 2,000 professors and other external studies (international rankings, ANECA reports, etc.). [[More info](#)]
