

## Pre-doctoral Training Program at IFIMAC - Center of Excellence Severo Ochoa 2015 - Closed

**T**he Condensed Matter Physics Center (IFIMAC) offers four positions to develop a PhD thesis at the IFIMAC within the Pre-doctoral training program in Centers of Excellence Severo Ochoa 2015, funded by MINECO. Each grant is associated with one of the strategic research lines within IFIMAC, namely:

- Soft Condensed Matter and Biophysics. [\[see PhD projects\]](#)
- First Principles Simulation and Modeling. [\[see PhD projects\]](#)
- Advanced Materials and Nanophysics. [\[see PhD projects\]](#)
- Nano and Quantum Optics. [\[see PhD projects\]](#)

The candidates should have an excellent academic track record and have to be inscribed in a Doctorate's program for the course 2015-2016. The application has to be filed through the [MINECO Web page](#).
