

Research awards for Physics students

Aim

The [Instituto Universitario de Ciencia de Materiales Nicolás Cabrera](#) (INC) and the Departments of [Física de la Materia Condensada](#), [Física Teórica de la Materia Condensada](#), [Física de Materiales](#) and [Física Aplicada](#), provide 5 awards for research works performed by undergraduate students of Physics.

Students will present their work during the Young Researchers Meeting of the INC, to be held in December 2017.

Eligible students

- Physics students with excellent marks, preferably third and fourth year undergraduate students.
- Students must have chosen the Department and the subject of their work.
- The performed work should be different than previous work by the student (for example, work made for the Physics undergraduate studies), but it can be a continuation of previous work, and the student may choose the same responsible scientist.

Students will present

- A poster during the Young Researchers Meeting of the INC. The language of the meeting is English.

Applications

The candidates should send their application to inc@uam.es before 1 May 2017. In their email, they should provide their name and surnames, the Department and subject of their choice and a copy of their marks (expediente académico).

Awards

5 awards amounting to 1600 € (including taxes) each and 5 diplomas.

Important dates

- 1 May 2017. Application deadline.
- 8 May 2017. Selection of 5 awardees (notified by email).
- First week starting 5th of June 2017. Payment of the award.
- December 2017. Presentation of the work during the INC Young Researchers Meeting and delivery of the diplomas.
- Work commencing: 8 May 2017.
- Work ending: 22 December 2017.

Committee

The selection committee will have 5 members, one per Department and one member of the INC, chosen by the respective Departments and the INC.

Selection criteria

The applications will be ranked following the applicants marks (expediente académico).

There will be at least one awardee per participating Department.
